Neither you or Parker has replied in a meaningful way to my question below.

Lets try this again.

The question is,

Why the executive director has decided to not act on a agenda item that was passed by the board.

Who gave the executive director the authority to not act on a agenda item that was passed by the board.

Lorena,

The board voted to write a letter. Now you are telling me that it will not be written.

Please explain why. "Not necessary" is not a sufficient explanation.
